Psychodrama Training Group:
Theory and Practice of
Psychodrama, Sociometry, and Group Psychotherapy

*****New cohort forms July, 2014 and meets July thru December 2014*****

Linda A. Ciotola, M.Ed., TEP, CET III
Catherine D. Nugent, M.S., M.S., LCPC, TEP

Overview: This training, intended for professionals and students in the mental health and human services field, provides a foundation in the theory and methods of psychodrama, sociometry, and related group methods. The training is appropriate for participants at all levels of experience. Learning will be primarily experiential and skills-based, with opportunities for directing practice commensurate with students’ training and abilities. Depending on participants’ interests, there may be presentations and demonstrations on using action methods with populations of interest, such as in the treatment of people with addictions, eating disorders, trauma and other mental health conditions, and in non-clinical settings such as organizational and community development.

Dates: The second Wednesday of each month, July through December 2014, from 9:30 a.m. to 3:45 p.m.:

- July 9th
- August 13th
- September 10th
- October 8th
- November 12th
- December 10th

Location: Laurel, Maryland (near Route 29 and I-95)

Fee: $160 per session, with discounted rate of $900 if you pay for the entire series in advance.

Continuing Education Credit/Psychodrama Training Hours: For each session, five (5) hours are granted through NBCC, NAADAC, ASET, American Board of Examiners in Psychodrama, and Maryland Board of Social Work Examiners.

For further information and to register: Please contact Cathy Nugent via phone or email as soon as possible to indicate your interest. She will provide instructions for registration. For planning purposes, we require a firm commitment and a deposit of the first month’s training fee by June 14 to hold your space in the group.

Cathy Nugent – 410-746-7251 or cathynugent@verizon.net

Note to New Trainees: New students will be asked to participate in a brief screening interview to determine suitability for this training program.
